SECTION 4. Tennessee Code Annotated, Title 7, Chapter 4, is amended by adding the following language as a new part 2:

Section 7-4-201. As used in this part, unless the context otherwise requires:

(1) "Metropolitan government" means any county having a metropolitan form of government which has a population in excess of five hundred thousand (500,000) according to the 2000 federal census or any subsequent federal census;

(2) "Person" means any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, business trust, business organization, receiver, trustee, syndicate, or any other group or combination acting as a unit;

(3) "Tax collection official" means the department of finance of the county or municipality, as applicable, or the county clerk, if so designated by ordinance of the legislative body of any municipality having a metropolitan government.

Section 7-4-202. In addition to any other tax or fee imposed pursuant to this chapter on the occupancy of a hotel room, upon the adoption of an ordinance by the metropolitan council in a county having a metropolitan government, there is hereby authorized an additional two dollar (\$2.00) privilege tax upon the occupancy of each hotel room within the territory of such metropolitan government. The tax so imposed is a privilege tax upon each occupied room for each night of occupancy and is to be collected and distributed as provided in part 1 of this chapter.

Section 7-4-203. All revenues received by the metropolitan government from the privilege tax imposed pursuant to this part shall be deposited into a metropolitan government fund entitled "The Convention Center Fund" and shall be used for the purpose of paying costs incurred in modification or construction of a publicly owned convention center in excess of four hundred million dollars (\$400,000,000) in costs located within the territory of the metropolitan government. Such revenues may also be used for the operation, promotion, management and marketing of such a convention center. If the revenues from such surcharge or tax in any fiscal year exceed the total of such debt service requirements from that year, such surplus revenue thus accruing shall be retained by the metropolitan government as a reserve fund for future convention center debt service requirements.

Section 7-4-204. In the event that the total bonded indebtedness incurred for the modification or construction of such convention center facility by the metropolitan government shall be paid in full as to bond principal and interest, including expenses of bond sale or sales, the metropolitan government's taxing resolution shall be repealed and this tax shall no longer be levied. Provided, however, that any funds and interest

remaining in the reserve fund after all obligations imposed under the provisions of this part have been fulfilled, shall be used by the governmental board or agency responsible for the operation of the convention center for use by it in the operation, promotion and advertisement of the convention center facilities.

Section 7-4-205.

(a)

(1) There is hereby authorized a privilege tax on the privilege of contracted vehicles exiting public airports located within the boundaries of a metropolitan government. Such tax shall only be effective upon the adoption of an ordinance by the metropolitan council to impose such privilege tax.

(2) Such tax shall be imposed only upon contracted vehicles which charge customers a separate fee for transportation from the airport unless otherwise excluded in this part.

(3) The tax shall be in the amount of two dollars (\$2.00) each time a contracted vehicle meeting the requirements of subdivision (2) exits the airport while transporting customers from the airport located within the territory of the metropolitan government, but shall exclude non commercial vehicles and equipment operated by the Metropolitan Transit Authority.

(b) The tax so imposed is a privilege tax upon the contracted vehicle exiting the airport and is to be collected and distributed as provided in this chapter.

(c) The privilege tax is due each time a contracted vehicle to which this section applies leaves the airport. The operator of the contracted vehicle shall be responsible for keeping accurate records to determine the amount of the tax due

and payable. Such information shall be transmitted daily by the operator of the contracted vehicle to a designated individual within the business organization which hired the operator of the contracted vehicle. The privilege tax shall be remitted to the metropolitan tax collection official by a designated individual within such business organization not later than the 20th of each month.

Section 7-4-206.

(a) Taxes due and payable that are not remitted to the tax collection official on or before the due dates are delinquent.

(b) The person owing such taxes shall be liable for interest on such delinquent taxes from the due date at the rate of eight percent (8%) per annum, and in addition for penalty of one percent (1%) for each month or fraction of a month that such taxes are delinquent. Such interest and penalty shall become a part of the tax required in this chapter to be remitted.

(c) Willful refusal of a person to collect or remit the tax or willful refusal of an operator of a contracted vehicle to keep accurate records of the tax due and payable is a Class C misdemeanor.

(d) Any fine levied in this chapter shall be applicable to each individual transaction involving an operator of a contracted vehicle for willful refusal to keep accurate records or the willful refusal of a person to collect or remit the tax due and owing.

Section 7-4-207. All revenues received by the metropolitan government from this privilege tax shall be deposited into a metropolitan government fund entitled "The Convention Center Fund" and shall be used for the purpose of paying costs incurred in modification or construction of a publicly owned convention center in excess of four hundred million dollars (\$400,000,000) in costs located within the territory of the metropolitan government. If the revenues from such surcharge or tax in any fiscal year

exceeds the total of such debt service requirements from that year, such surplus revenue thus accruing shall be retained by the metropolitan government as a reserve fund for future debt service requirements.

Section 7-4-208. In the event that the total bonded indebtedness incurred for the modification or construction of such convention center facility by the metropolitan government shall be paid in full as to bond principal and interest, including expenses of bond sale or sales, the metropolitan government's taxing resolution which imposing the taxes authorized pursuant to §§ 7-4-202 and 7-4-205 shall be repealed and such taxes shall no longer be levied. Provided, however, that any funds remaining in the reserve fund after all obligations imposed under the provisions of this part have been fulfilled, shall be used by the governmental board or agency responsible for the operation of the convention center for use by it in the promotion and advertisement of the convention center facilities.

Section 7-4-209.

(a) During the construction of a new publicly owned convention center as provided in this part any contractor entering into a contract with the metropolitan government for the performance of work on such convention center shall pay all workers performing work under such contracts not less than the prevailing wage rate for all types and classifications of work for contractors entering into a state contract pursuant to Tennessee Code Annotated, Title 12, Chapter 4, Part 4. In addition all such contractors shall provide health insurance coverage for all workers performing work under such contracts.

(b) After the construction of such convention center is completed, all persons employed to perform labor or services at such convention center shall be paid a wage which is not less than an average of the prevailing wage rate for all types and classifications of work for contractors entering into a state contract pursuant to

Tennessee Code Annotated, Title 12, Chapter 4, Part 4. In addition health insurance coverage shall be provided to all such employees.

(c) In the event the total bonded indebtedness incurred for the construction of such convention center facility by the metropolitan government shall be paid in full as to bond principal and interest, including expenses of the bond sale or sales, the metropolitan government's taxing resolution shall be repealed and this surcharge or tax shall no longer be levied. Provided, however, that any funds remaining in the reserve fund after all obligations imposed under the provisions of this section have been fulfilled, shall be used by the governmental board or agency responsible for operation of the convention center for use by it in the promotion and advertisement of the convention center facilities.

SECTION 6. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be severable.
